Log into Dogs and Cats Online

Enter your username (email address) and password.

Click 'Login'.

**Note:** This must be your vet email address not your personal email address that you might use to register your personal animals.
You can request to be associated with a vet clinic by clicking 'Request Authorisation'.

Alternatively, you can click 'Vet Clinics' to see what clinics you are currently associated with.
Manage my vet clinics

You can view the clinics you are currently associated with.

In addition, you can view if any clinics have requested to be associated with you that are awaiting your approval.

Request Authorisation

Click 'Request Authorisation' to begin process to be associated with a clinic.
Select the clinic

Select the clinic you wish to be associated with. If the clinic does not appear, then they are not registered with the Dog and Cat Management Board to use the Dogs and Cats Online system - contact the vet clinic.

Select a start date

You must indicate a start date for the association. The end date is optional, you can have it open ended or supply an end date if that is known.
Click 'Request Authorisation' to continue.

The vet clinic will receive an email requesting your authorisation. They will then log into the Dogs and Cats Online system and either approve or deny your request.

**Successful message**

A green message will appear letting you know that the request has been sent.
